The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Makor Residential Accessibility Project in fiscal year 2024. The entity to receive funding for this project is the Women League Community Residences Inc. located at 1015 45th Street, Brooklyn, New York 11218. The funding would be used to provide proper upgrades needed to support the growing needs of Makor's current and future Residents. This project will include accessibility, energy-efficiency, and health/safety upgrades to the building.

The project is an appropriate use of taxpayer funds because the renovation of this building creates accessibility for individuals with special needs and disabilities. The project will make use of local community partners and provide much needed support for local small businesses.

The project has a Federal nexus because the funding provided is for purposes authorized by 42.U.S.C. 5305(a)(4) of the Community Development Block Grant program.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
